Reviews

Very helpful for all class of people. Sure, it is actually play, nonetheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Carole McClure)

COSMOPOLITAN TWAIN

University of Missouri Press. Paperback. Book Condition: new. BRAND NEW, Cosmopolitan Twain, Amy M. Ryan, Joseph B. McCullough, Cosmopolitan Twain takes seriously Mark Twain's life as a citizen of urban landscapes: from the streets of New York City to the palaces of Vienna to the suburban utopia of Hartford. Traditional readings of Mark Twain orient his life and work by distinctly rural markers such as the Mississippi River, the Wild West, and small-town America; yet, as this collection shows, Twain's sensibilities were equally formed in the urban centers of the world. These essays represent Twain both as a product of urban frontiers and as a prophet of American modernity, situating him squarely within the context of an evolving international and cosmopolitan community. As Twain traveled and lived in these locales, he acquired languages, costumes, poses, and politics that made him one of the first truly cosmopolitan world citizens. Beginning with New York City--where Twain spent more of his life than in Hannibal--we learn that his early experiences there fed his fascination with racial identity and economic privilege. While in St. Louis and New Orleans, Twain developed a strategic detachment that became a part of his cosmopolitan persona. His contact with bohemian writers in San Francisco excited his ambitions to become more than a humorist, while sojourns in Buffalo and Hartford marked Twain's uneasy accommodation to domesticity and cultural prominence. London finally liberated him from his narrowly constructed national identity, while Vienna allowed him to fully achieve his transnational voice. The volume ends by presenting Elmira, New York, as a complement, and something of a counterpart, to Twain's cosmopolitan life, creating a domestic retreat from the pace and complexity of an increasingly urban, modern America. . In response to each of these cities, Twain generated writings that marked America's movement into the...
