Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE LOCKET: ESCAPE FROM DESERET BOOK ONE

Kamel Press, LLC, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. In the late 1850 s, thousands of poverty-stricken Scandinavians were lured to America by missionaries of the Latter-day Saints with promises of great prosperity. Ingrid Thirkelsen s marriage to Brother Rasmussen is as surprising to her as the hope he stirs within. Assigned to the Martin Party of immigrants, she sets out after him, encountering for the first time the horrors of polygamy, blood atonement and blind obedience to cult leaders. As she makes the handcart trek across the Plains and Rocky Mountains, a locket she has promised to deliver in Zion and her Ma s Bible are the only items that give her comfort and the strength to endure the unendurable. * * * * * For well over a century, leaders of the LDS (Mormon) Church have ignored or sanitized the brutal atrocities of their early prophets. Today, church officials have begun to acknowledge some of the evil events that shaped their history. However, such revelations are given a flattering spin that continues to paint their prophets and early leaders with a broad brush of holiness and virtue despite incontrovertible evidence to the contrary. Ingrid s story reflects the unvarnished historical events from those who witnessed them. Jeremiah 13:23b (Message Bible) .Can a leopard get rid of its spots? So what are the odds on your doing good, you who are so long practiced in evil?.
