*****.Shakespeare Survey is a yearbook of Shakespeare studies
and production. Since 1948 Survey has published the best
international scholarship in English and many of its essays have
become classics of Shakespeare criticism. Each volume is
devoted to a theme, or play, or group of plays; each also
contains a section of reviews of the previous year s textual and
critical studies and of major British performances. The books
are illustrated with a variety of Shakespearean images and
production photographs. The current editor of Survey is Peter
Holland. The first eighteen volumes were edited by Allardyce
Nicoll, numbers 19-33 by Kenneth Muir and numbers 34-52 by
Stanley Wells. The virtues of accessible scholarship and a keen
interest in performance, from Shakespeare s time to our own,
have characterised the journal from the start. For the first time,
numbers 1-50 are being reissued in paperback, available
separately and as a set.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
