Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Field Manual (FM) 3-09 is the Army's keystone doctrine for fire support. This manual is a guide to action for the employment of fire support in decisive action as a part of unified land operations. The foundation of unified land operations is built on initiative, decisive action, and mission command-linked and nested through purposeful and simultaneous execution of both combined arms maneuver and wide area security-to achieve the commander's intent and desired end state (Army Doctrine Publication (ADP) 3-0). The challenges of future armed conflict make it imperative for the Army to produce leaders and forces that exhibit a high degree of operational adaptability. Achieving the necessary level of operational adaptability requires the Army to build upon a foundation of two broad responsibilities within the framework of fullspectrum operations- Army forces conduct combined arms maneuver (CAM) to gain physical, temporal, and psychological advantages over enemy organizations. Applying an expanded understanding of combined arms, Army forces integrate the combat power resident in the Army's six warfighting functions with a wide array of related civil and military...
