

Thrive: Don't Just Survive the Coming Collapse

By Nathan Machain

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Across the United States, Americans have let their guard down, naively living in the moment, committing their absolute faith and confidence in the federal government. Somehow, they feel as though they are exempt from the rest of the world's calamities and problems. For them, the lessons taught by time and history are of little use and only apply to someone else, somewhere else. This book is probably not going to awaken those that remain asleep to their inevitable fate. If the news and the obvious haven't already jolted them from their slumber, this book will unlikely do any better. Although the first chapter gives all the excuses typically elicited by those that would rather prepare for the next tail-gate party than for ultimately saving their very life, you will find that the rest of this book isn't full of the why you must prepare now jargon-not because that alarming wake-up call isn't important, but because this book is less about the why and more about the how. As this book's title aptly implies,...
