

Almost a Family

Filesize: 5.39 MB

Reviews

Without doubt, this is actually the best function by any article writer. It is probably the most amazing ebook i have got go through. Your lifestyle period will likely be enhance once you complete reading this article publication.

(Brody Parisian)

ALMOST A FAMILY

Anchor, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Wonderful. . . . John Darnton has taken [the memoir] to a new level. . . . Gripping, moving, and fascinating." -Susan Cheever, The New York Times Book Review "Inspiring. . . . Exciting, deeply felt, evocative of past worlds and times, and full of first-rate reporting. . . . [A] fine book." -Ian Frazier, The New York Review of Books "Unusually absorbing. . . . Poignant. . . . Unfailingly tasteful and profoundly sympathetic, clear-eyed yet humane." San Francisco Chronicle "Gripping. . . . Darnton writes with assurance, and the book is structured like a good novel, filled with unexpected twists and turns." - The Washington Independent Review of Books "Old-school reporting skills and a newspaperman's sensibility are on ample display. [Darnton's] tool box includes spare prose hones under deadline pressure in city rooms and cop shops. At key moments of revelation he forces the reader to set the book down for a moment to absorb the shockers about his parents and their relationship. . . . [Darnton's] thoughtful memoir dives deeper." - The New York Times "A brave, heartbreaking and inspiring story of a son's search for the truth behind the myths he was reared with. It is proof that human beings can be scalded by life and yet come through strong, loving, talented and tough and still know how to laugh." -Gay Talese, author of A Writer's Life "Exciting, magnetic, moving, and a damn good story." -Alan Furst, author of Spies of the Balkans "A thorough investigative reporting job on [Darnton's] father's life. . . . His newspaper skills coupled with a strong, direct writing style draw the reader into Mr. Darnton's life in an intimate way that few contemporary memoirs...
