Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Recovering alcoholic and former party animal, Cole Tucker would be an idiot to start something with his newly hired right-hand woman, Samantha Chase. It figures he can't seem to keep his mitts off the sexy, five-foot-nothing single mom who can toss a sack of shingles over her shoulder and rewire a house better than the crew from Extreme Home Makeover. Her incredible strength and self-confidence draw him in; something Cole has pretended to have for years. All he has to show for himself is his uncanny use of pick-up lines, a hand-me-down farm and some small-town rental properties. When he learns Samantha's husband and daughter were killed by a drunk driver, the shame of his past experience with a DUI and near-death accident is the last thing he wants to mention to her. Samantha has no problem accepting her new boss, flaws and all. His simple life is charming and exactly what she hoped to find for herself and her son in Newhall, New Hampshire. Cole wins her over by befriending her fatherless son and making her laugh again, something she hasn't done in four years. When she learns about his shady past with the bottle, her heart tells her to forgive, but the painful memories of her past are too deep to overlook.
