

## The Informer

Filesize: 2.69 MB

### ***Reviews***

*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.*

*(Dr. Lukas Hills DDS)*

## THE INFORMER

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mr. X came to me, preceded by a letter of introduction from a good friend of mine in Paris, specifically to see my collection of Chinese bronzes and porcelain. My friend in Paris is a collector, too. He collects neither porcelain, nor bronzes, nor pictures, nor medals, nor stamps, nor anything that could be profitably dispersed under an auctioneer s hammer. He would reject, with genuine surprise, the name of a collector. Nevertheless, that s what he is by temperament. He collects acquaintances. It is delicate work. He brings to it the patience, the passion, the determination of a true collector of curiosities. His collection does not contain any royal personages. I don t think he considers them sufficiently rare and interesting; but, with that exception, he has met with and talked to everyone worth knowing on any conceivable ground. He observes them, listens to them, penetrates them, measures them, and puts the memory away in the galleries of his mind.
