Createspace, United States, 2011. Paperback. Book Condition: New. Large Print. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Self Study Guide for the Unbeliever who wants to understand more about salvation and the steps that are Biblically required to obtain the Free Gift of God. Also a great self study guide for those that want to work in the vineyard of the Lord and be a true Soul Winner for Christ. In detail the book explains the process required for the believer to find harmony (peace) with God. Step by step, what is happening to the unbeliever as the Holy Spirit knocks at the soul s door seeking to testify of Christ to the unbeliever. Further explaining the unbeliever s part and finally the Holy Spirit s role. If, as a soul winner, you only use the Bible to convince the lost to find Jesus, you are missing the true catalyst for the conversion process. For the unbeliever, the Holy Spirit of God will come unto you personally, this is the most important opportunity of your life, and ultimately is the entire purpose of our life on earth, please take time and listen to the call of the Holy Spirit. Mankinds days are allotted while we are on earth, then all will surely die. During this time of allotment, you are given the opportunity to find the harmony with God, that Adam lost in the beginning. Thus allowing you to avoid the second death which is final and complete seperation from God. It is my hope and prayer that someone will give you a copy of this book or you will invest in your own eternal life and read, consider and hopefully desire to find harmony with God. For the soul winner, you...
