## The Process of the Disciplines: An Approach to Teaching, Learning, and Evaluation

By Christopher C. Cuzzo Ph.D.

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 231 x 150 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In The Process of the Disciplines, award-winning teacher and curriculum designer Dr. Chris Cuzzo presents an innovative, yet commonsensical approach to thinking about the goals of education, our methods of instruction, and our forms of assessment. Dr. Cuzzo suggests that a well-educated person is one who is able to bring useful knowledge created by others to bear in making sense of the world, solving problems, and expressing his/her understandings. An effective education both meaningfully engages students in the process of the disciplines and ensures that they have genuine mastery of the critical competencies that constitute the products of the disciplines. Filled with real-life examples from his varied experiences as an educator, this book provides new perspectives on the core functions of school. This book brings clarity to the art of teaching and learning. Chris Cuzzo provides a refreshing new perspective on why we teach, what we teach, and how we teach it. Finally, a book that redefines what it means to effectively educate all children in our public school system - Bridget Doyle, Director of Academic Programs, DC Public Charter School...
