Not illustrated. 1898 Excerpt: .a course as the one recommended before starting out for one s self. In mathematics analytical geometry is high enough for all practical purposes. Above all theoretical training, indeed training of any sort, steadfastness of purpose and originality, well tempered with common sense, are necessary. Nothing makes up for these qualities. I have a blue bedroom which is partly furnished. It is used as a guest chamber and I wish to keep it in blue. The walls are quite a strong blue, in solid color, with the ceiling and border done in water-colors in pale blue, with just a touch of yellow in the border, and an occasional spray of green foliage running over the ceiling and down to the picture molding. The woodwork is pine, shellacked and varnished. The carpet is blue ingrain matching the side walls, with a touch of yellow in it. The...
