EARLY ELECTRICAL APPLIANCES

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Early Electrical Appliances, Bob Gordon, This book deals with the early development of electrical appliances; it explains how they work and describes the problems encountered in their manufacture and operation. Many novel and little known appliances were made in the early days, and the author describes these and shows how some of the latest appliances are merely revivals of old ideas which were first tried out many years ago. This will...
