BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Few Children Great Opportunities: 12 Stand-alone Sessions for Mixed-age Church-based Groups, Sue Price, Ruth Alliston, Few Children, Great Opportunities contains 12 ready-to-use thematic sessions exploring the character of God through the model we see in Jesus. The programme is ideal for church-based children's work where there are small numbers of children and an age range from 3 to 11 years. Because a small number of children with a mixed age range also defines many families, the material can be adapted for home use by families who want to spend time growing in faith together. The sessions are non-sequential and can be used in any order whilst still building on each other. The material seeks to engage head, heart and hands by giving several ways to tell a Bible story using different learning styles; offering a variety of activities that help children to engage with the story; and including original songs, rhymes and chants as well as non-musical ways to worship God. The format has the flexibility to be used in church-based groups lasting between 20 and 60 minutes or within a midweek club. Each session is structured in the same way and includes a story book activity to provide continuity, cohesion and recall, and a family follow-up sheet with ideas to encourage families to think about each characteristic at home together during the week. The 12 characters of God explored in the programme include: love; faithfulness; patience; power; goodness; self-control; peace; trustworthiness; kindness; truthful; gentleness and joy. deal for small church-based children's groups.
